1600 Pennsylvania Avenue
Washington, D.C. 20500

Dear President Ronald Reagan

I would appreciate it greatly if in your next talk with Gorbachev that you discuss getting Rasoul Wollenberg back. He was or is a very important man who saved millions of Jewish people during World War II. In any case if he is dead or alive he should be sent back to his family.

This is a topic of importance and is not to be taken lightly.

This is from a thirteen year old girl.
